

# Lost Boy    EGB, DGB, CEG, GBD

[Verse 1]

**Em**                                **(D) G**  
There was a time when I was alone  
**C**                                **G**  
Nowhere to go and no place to call home  
**Em**                                **(D) G**  
My only friend was the man in the moon  
**C**                                **G**  
And even sometimes he would go away too  
**Em**                                **(D) G**  
Then one night as I closed my eyes  
**C**                                **G**  
I saw a shadow flying high  
**Em**                                **(D) G**  
He came to me with the sweetest smile  
**C**                                **G**  
Told me he wanted to talk for a while  
**Em**                                **(D) G**  
He said "Peter Pan that's what they call me."  
**C**                                **G**  
I promise that you'll never be lonely."  
**Am (ACE)**                        **D (DF#A)**  
And ever since that day

[Chorus]

**Em**                                **(D) G**  
I am a lost boy from Neverland  
**C**                                **G**  
Usually hangin' out with Peter Pan  
**Em**                                **(D) G**  
And when we're bored we play in the woods  
**C**                                **G**  
Always on the run from Captain Hook  
**Em**                                **(D) G**                        **C**                        **G**  
"Run, run, lost boy" they say to me  
**Em**                                **(D) G**                        **C**                        **G**  
Away from all of reality  
**Em**                                **(D) G**  
Neverland is home to lost boys like me  
**C**                                **G**  
And lost boys like me are free  
**Em**                                **(D) G**  
Neverland is home to lost boys like me  
**C**                                **G**  
And lost boys like me are free

[Verse 2]

**Em**                                **(D) G**  
He sprinkled me in pixie dust and told me to  
believe  
**C**                                **G**  
Believe in him, and believe in me  
**Em**                                **(D) G**  
Together we will fly away in a cloud of green  
**C**                                **G**  
To your beautiful destiny  
**Em**                                **(D) G**  
As we soared above the town that never loved me  
**C**                                **G**  
I realized I finally had a family  
**Em**                                **(D) G**  
Soon enough we reached Neverland  
**C**                                **G**  
Peacefully my feet hit the sand  
**Am (ACE)**                        **D (DF#A)**  
And ever since that day

[Chorus]

**Em**                                **(D) G**  
I am a lost boy, from Neverland  
**C**                                **G**  
Usually hangin' out with Peter Pan  
  
**Em**                                **(D) G**  
And when we're bored we play in the woods  
**C**                                **G**  
Always on the run from Captain Hook  
**Em**                                **(D) G**                        **C**                        **G**  
"Run, run, lost boy" they say to me  
**Em**                                **(D) G**                        **C**                        **G**  
Away from all of reality  
**Em**                                **(D) G**  
Neverland is home to lost boys like me  
**C**                                **G**  
And lost boys like me are free

**Em**                                **(D) G**  
Neverland is home to lost boys like me  
**C**                                **G**  
And lost boys like me are free

[Bridge]

**Em**                                **(D) G**  
Peter Pan, Tinkerbelle, Wendy Darling,  
**C**                                **G**  
Even Captain Hook, you are my perfect storybook  
**Em**                                **(D) G**  
Neverland I love you so, you are now my home  
sweet home  
**C**                                **G**  
Forever a lost boy at last  
**Am (ACE)**                        **D (DF#A)**  
And for always I will sing

[Chorus]

**Em**                                **(D) G**  
I am a lost boy from Neverland  
**C**                                **G**  
Usually hangin' out with Peter Pan  
**Em**                                **(D) G**  
And when we're bored we play in the woods  
**C**                                **G**  
Always on the run from Captain Hook  
**Em**                                **(D) G**                        **C**                        **G**  
"Run, run, lost boy" they say to me  
**Em**                                **(D) G**                        **C**                        **G**  
Away from all of reality

[Outro]

**Em**                                **(D) G**  
Neverland is home to lost boys like me  
**C**                                **G**  
And lost boys like me are free  
**Em**                                **(D) G**  
Neverland is home to lost boys like me  
**C**                                **G**  
And lost boys like me are free
